NIGHT OF SILENCE CHRISTMAS CONCERT ON COGECO

Although the Pembroke Community Choir could not perform its annual Christmas concert this year, they did create a virtual Christmas performance which premiered on YouTube on December 6th.

However, if you are an Ottawa Valley Cogeco subscriber, you will be able to enjoy their full concert, *Night of Silence*, as featured in this 2018 photo. The performance will be aired on Cogeco several times including Christmas day. Airing dates are December 16, 20, 22, 23, and 25th. Check the Cogeco schedule for times.

The choir's 2020 virtual performance was dedicated to choir member Deborah Doran, who passed away in December. It may be seen on their website at pembrokecommunitychoir.org. Previous Christmas concerts may also be viewed anytime by searching for the Pembroke Community Choir on YouTube.
