The Pembroke Community Choir meets at least once a week to prepare for two main concerts and other guest appearances. We produced and performed in "HMS Pinafore" in 1981 and in "The Mikado" in 1982 as well as the Opening of Marianhill. Each year we enter the Kiwanis Music Festival.

During the upcoming season, beginning in September 1982, we will prepare a light Christmas Programme for several short concerts and a Carol Service at First Presbyterian Church.

We are also planning a massed Choir Festival for April 1983 to include all the choirs in the Ottawa Valley.

The Pembroke Community Choir is a member of

The Valley Arts Council

and

The Ontario Choral Federation
