The Pembroke Community Choir has welcomed back its choristers for the fall session after a resoundingly successful Spring concert entitled *Sing!* Our choir has enjoyed its summer rest and we are currently preparing for our Christmas program on the last weekend in November, once again under the tutelage of our director Gerald LaRonde.

**Our major work for the Christmas concert is  
MAGNIFICAT by John Rutter  
meaning "My soul magnifies the Lord."**

The work is 40 minutes long and we will be accompanied by a chamber orchestra of 14 members. Our soloist will be Jessica Belanger. The second part of the concert will feature an array of Christmas songs and carols, also composed by John Rutter. Our website will keep you informed of dates, venues and any special performances throughout our 2024-25 season.

The choir cannot function without the help of its Patrons, and we sincerely thank you for all past patronage which has not only been of important financial support, but also an affirmation of your belief in our artistic contribution to the Upper Ottawa Valley.

or Maestro Patron for all donations over \$350.00.

***All donations of \$20.00 or more will be issued a tax receipt.***

Your name, business, or organization will be displayed in each of our season's programs and on our website, thanking you for your generosity. Your support of the choir will assist us in affording new and varied pieces of music, orchestral accompaniment, and visiting soloists.

We look forward to seeing you in the upcoming season and thank you for your consideration.

*Sincerely,*
